Core Competencies

Empowered Products, LLC is a small, service disabled veteran owned manufacturer founded in 2002 specializing in producing and bottling personal/medical lubricant formulas with mindfully sourced ingredients. Our expanding business with practitioner specialties such as: gynecology, urology, gastroenterology and preventive medicine, continues to be driven by our commitment to remove toxic parabens in favor of natural ingredients.

Differentiators

Empowered Products has successfully elevated the formulation standards for lubricants used throughout private-sector healthcare by attaining FDA 510(k) certifications and adherence to strict Good Manufacturing Practice regulations. Original source manufacturer of brand names:

Gun Oil®, Pink Intimate Lubricants®, and Natural Medilube®.

Quick ship without pallets: 5 business days. Large orders with pallets 7-14 business days.

- ✓ Available Nationwide / FDA Registered Manufacturing Facility / Good Manufacturing Practices FDA
- ✓ FDA Certified 510(k) / Paraben-Free / Petroleum-Free / Third Party Tested / Made in the USA
- ✓ Ingredient Awareness and Formula Transparency / Multiple Sizes Available
- ✓ Single Use Sachets: .3 Grams / 50-100 Per Bag
- ✓ Cases: 4.7 Ounces Bottles / 12 Bottles Per Case

Natural Medilube

Natural Medilube is an all-natural, all-purpose lubricant mindfully formulated for ingredient-conscious consumers & health practitioners alike.

Mission

To provide hospitals and healthcare practitioners with high quality lubricants that are completely free of toxic ingredients with consistent fulfillment and competitive
